Time: 1:30-3:30 PM

Registration starts at 1:00 on Tuesday

Where: West Middle School Gymnasium

The Martinsville High School coaches and cheerleaders will be hosting their annual summer clinic this June. Participants will learn cheers, chants, jumps, dances, and other skills associated with cheerleading. It will be a week full of fun and excitement as everyone will get to work with and get to know the MHS Cheerleaders! The Varsity and JV Coaches, Tricia Anderson and Jessi Alexander, along with Freshman Coach, Erika Edwards, will conduct the clinic along with the cheerleaders.

Any child interested and excited about cheerleading should attend. It is highly recommended that any middle school cheerleader or young lady wishing to try-out for high school cheerleading, also participate in this clinic.

Each child will receive a clinic t-shirt. They should wear this on the last day of clinic. We will also offer pictures with MHS Cheerleaders on Wednesday of the clinic for \$4.00. Kindergartners will need to arrive at 1:00 to take their picture, and the other participants will take their picture during the clinic. The cost of the picture needs to be included with your \$25 registration fee.

Sincerely,
Tricia Anderson, Jessi Alexander, and Erika Edwards
